

## WINFIELD & DISTRICT AGRICULTURAL SOCIETY SCHOLARSHIP APPLICATION

The Winfield and District Agricultural Society will be awarding scholarships annually in the amount of \$1000 each to the successful students. While you may only win the scholarship one time, you may apply for at least two years after graduating from high school, and you may wish to contact the donor if you would like to apply after this time.

Please answer the following questions, in a typed format, on a separate page. Keep in mind we are looking for a well-rounded individual and our decision will be based on your community activity, school and agricultural involvement.

Also, please include a typed business letter outlining your career goals, where and what you have applied for, and tell us why you deserve this scholarship. This letter will be limited to 1 page.

Applicants must be graduating from the Buck Mountain Central High School attendance area and have applied to a post-secondary institution.

Applications must be mailed to the Winfield Ag Society, Box 131, Winfield, AB T0C 2X0 by March 15 of your Grade 12 year.

Scholarships will be awarded at the graduation ceremony and monies will be received when you have provided official confirmation of enrollment and attendance.

The Winfield and District Agricultural Society would like to thank all applicants for your time and wish you all the best as you move forward with your dreams.

## WINFIELD & DISTRICT AGRICULTURAL SOCIETY SCHOLARSHIP APPLICATION

1. Why is community important to you?
2. What has your involvement been in your community and at home?
3. What local activities and school involvement have you participated in? (Please be specific and detailed)
4. What have you volunteered for within your community and for your local Ag Society? (Please be specific and detailed)
5. How does agriculture play a role in your life?
6. What does receiving the scholarship mean to you?
7. What else would you like us to know about you?
